

HOLMES-WAYNE ELECTRIC COOPERATIVE LOCAL PAGES

Every year, as the planning begins months before the Veterans Honor Trip, the excitement and anticipations stirs, as well as a very important question: Can we provide a trip worthy to recognize the men and women in our community who have sacrificed to serve our country?

This is the sixth year that Holmes-Wayne Electric Cooperative has joined efforts with the Shreve American Legion Post 67 to provide a three-day, all-expenses-paid bus trip for local veterans to visit the monuments built in their honor and commemorate their service. This year, 24 veterans took part in the trip, Sept. 27 to 29.

Each veteran has a guardian to ensure a safe and memorable experience. Just like the veterans, the guardians are from our community and the majority have served in the U.S. military or have a parent or grandparent who have served.

In a world so broken and country that appears to be separated too often, this trip is a needed reminder of the rich history of the United States and sacrificial love of mankind. For these three days, not only are many memorials, museums, and historical details shared, but also a camaraderie is built. We hear stories of survival, giving, loving, fear, and healing. For these three days, the chaos of the world seems to stop and we take quiet moments to remember and honor.

One can't help but be overwhelmed with emotions when seeing the small print of more than 58,000 names and the personal notes and tokens left behind at the Vietnam Memorial wall, the grand beauty of the 693 acres that make up Arlington National Cemetery and the sacred respect for the Tomb of the Unknown Soldier, the eeriness emanating from the 19 lifelike statues at the

Korean War Memorial, or the details and remnants of the terrorist attack on American soil captured at the 9/11 memorials of Flight 93 and the Pentagon.

This year, we had the honor of having a World War II veteran, Robert Iams of Wooster. At age 97, he visited the WWII monument for the first time. Drafted his junior year in high school, he entered WWII with his twin brother. "My mother had to write a note to get permission from the Navy to have my brother and I serve together," Iams says. "With the loss of the five Sullivan brothers, the United States had issued a new policy not allowing brothers to serve together."

Iams was referring to the November 13, 1942, tragedy when five Sullivan brothers from Waterloo, Iowa, died aboard the USS Juneau when the ship was torpedoed and sank. The Navy approved of the Iams twins serving together, so the brothers boarded their ship to head to what seemed, in 1944, like galaxies away, to the Pacific conflict. "We were just kids doing what we thought was right," he says. After serving, the brothers returned home to finish their senior year of high school.

On the final day of the Veterans Honor Trip, Iams, along with Victoria Ebner (Vietnam – Marines), David Garnes (Vietnam – Army), and Gary Gonter (Vietnam – Army) had the honor of laying a customized wreath at the Tomb of the Unknown Soldier. Garnes, who served in the 25th infantry, received a Purple Heart and Bronze Star for his service. "He's a humble man; you would never know the sacrifices made by this Wayne County veteran," says his guardian, Larry Porter.

The trip concludes with a "welcome home" parade from our community, a parade that is more than 50 years overdue for majority of the Vietnam veterans.

Unfortunately, many came home from the war, just thankful to be alive, and they went straight to work. There was no appreciation expressed and they were left to process their memories alone.

Terry Martin, a Vietnam veteran and guardian shares, "I was stationed in **???**. We delivered fuel. We were told certain roads, but you learned quickly, none were safe."

Ken Vansickle, a Vietnam veteran, says, "it is so important for the next generation to learn and understand the history of our past wars so they are not repeated. I want a better place for my grandchildren."

The Holmes-Wayne Honor Trip is coordinated by HWEC but it takes the generous support of so many in our community to make this annual event successful. Holmes-Wayne sends a special thanks to this year's 555th

Honor Detachment for the return home parade. The "Triple Nickle" serves at Ohio Western Reserve National Cemetery near Rittman. Thanks also to Troy Miller Insurance Agency for the flags provided at the parade, Clinton Township Fire and Rescue and Holmes District #1 Fire for parade escort and salute, and also Shreve Boy Scout Troop 71, for last-minute setup of canopies for dry shelter. Finally, a huge appreciation to Wayne Holmes Health, LLC, for their generous donation of wheelchairs the past six years. We also thank many businesses, community members, and the HWEC board and staff, for donations to financially support this event.

If you are interested in supporting or participating in the Holmes Wayne Community Honor Trip, please contact us toll-free at 866-674-1055 or visit the Honor Trip page on our website.
